NOTE FOR THE DIRECTOR

SUBJECT: Use of External Review Panels by NIO/S&T

I plan to form small external review panels to assist in the preparation of NIC reports which I am sponsoring. The panels would vary in size from about four to eight and each would be convened about twice but members would be used on an individual basis as needed. I want to form the panels with persons selected from the attached list. The large majority already have appropriate clearances.

If for some reason you prefer I not ask one or more of these individuals to assist, I would appreciate your letting me know.
